

Dr. Beougher and Willow Bend Staff,

I am a patient of Willow Bend Dental, and I just wanted to say a big, huge THANK YOU !!!! I hadn't been to the dentist in over a year due to my enormous fear of dental work, dental pain, anxiety, etc..... I visited the office for a cleaning, which turned into fillings, which turned into dental bonding on my front four teeth. I must say that you guys made me feel welcome, and at ease (as much as possible) through out all of my visits. For me to voluntarily visit a dentist for dental bonding is ridiculous !!! I never imagined going to the dentist to be a pleasant experience.

Throughout my childhood and adulthood I have gone out of my way to avoid smiling and avoid showing my teeth to anyone from a stranger to my fiancé. I hated my smile, and was ashamed of my smile. Since my dental bonding, I haven't stopped smiling. In no way could I put into words my gratitude to your office. All I can say is 'Thank You', and hopefully you will understand the intensity in which I truly mean it.

Thanks again Dr. Beougher and the incredible staff !!!!
